

**DOWNLOAD**  
the Davis EnviroMonitor app  
from the iOS App Store or  
Google Play Store.

Use the EnviroMonitor app and the  
User Manual to **SET UP** and **INSTALL** the  
Gateway, then the Nodes and sensors.

**VIEW** and **MANAGE**  
your data.

- *Smartphone:* Download the Davis Mobilize app.
- *Internet:* Log in to your account on [www.weatherlink.com](http://www.weatherlink.com).
